About JBM

Today, JBM Auto is all poised to further consolidate its leadership position as one of India's leading automotive component manufacturers. With our extensive product portfolio, marquee customers, strategic market position, strong R&D, global approach and newer avenues of business operations, we have emerged as a key global supplier in the industry. In our pursuit of excellence, we have consistently incorporated world-class technology led by a dedicated team of professionals and maintained a steady focus on innovation thereby delivering greater satisfaction to our customers and creating better value for our stakeholders.

With the launch of our buses this year, JBM Auto has embarked on a journey of evolution to become an integrated automotive player. Going ahead, the bus division shall act as an important driver of overall growth of the company.

JBM Auto Ltd. is the flagship company of \$1.35 bn JBM Group that has a diversified portfolio in the field of automotive, engineering & design services and renewable, with an infrastructure of 35 manufacturing plants and 4 engineering & design centres across 18 locations globally.

JBM's focus on quality delivery, frugal engineering, time to market and art-to-part philosophy has provided the group an indomitable position in the industry.

Sheet Metal Division

MANUFACTURING SHEET METAL COMPONENTS, ASSEMBLIES, SUB-ASSEMBLIES.

JBM Auto's Sheet Metal Division manufactures metal components, assemblies and sub-assemblies. These parts constitute all major sheet metal parts contained by the outer body of the vehicle. These parts are joined together to form sub assemblies, which are then combined to provide various sections of the vehicle including structural and load bearing areas. The division also manufactures skin panels which define the exterior surface for a vehicle which are the most vital parts, as they provide the visual impact, aesthetics and shape to the vehicle.

Tool Room Division

MANUFACTURING TOOLS, DIES AND MOULDS.

Tool-making requires extensive collaboration with the customer due to the high degree of production customization. To meet the ever-evolving requirements of the customers, the company's tool rooms are continuously upgraded to interface with the latest industry-grade software and technology.

Bus Division

JBM GROUP LAUNCHES 'CITYLIFE' TO REVOLUTIONIZE INTRA-CITY BUS TRAVEL IN INDIA.

Recently JBM launched its very own Low Floor Bus – 'CITYLIFE' that has been especially designed for intra-city travel in India. 'CITYLIFE' was launched with much fanfare at the Delhi Auto Expo 2014 in Greater Noida.

Backed by a total investment of Rs. 500cr, the bus will be manufactured in technological partnership with renowned European bus-maker Breda Menarinibus (BMB).

Skill Development Centre

The JBM Group firmly believes in shared prosperity through holistic development of the society. As a step in this direction, JBM Group has established a manufacturing technology based training centre primarily to meet growing demand of skilled manpower in the engineering and automotive sector. The centre would provide skilled manpower initially to the Group companies and later on to the other industries. The facilities include an Advanced Welding Laboratory, Modern Training Workshop with Conventional and CNC machines, CAD / CAM Lab, Fitting and Assembly Section, Class Rooms equipped with latest teaching aids and relevant library. The target group includes candidates from school dropouts to ITIs, Polytechnics and Engineering Students of mechanical and automotive trades.

chairmans' MESSAGE

Dear Shareholders,

With the Indian economy accelerating towards higher growth trajectories, it presents us with prospects of faster development and growth. I feel elated at the consistent performance of your company, the experiences of which, going ahead, will act as catalysts to rise and touch greater milestones. Strengthened by our performance over these years and with the dynamically evolving socio-economic milieu of today, we are confident of taking our flagship company – JBM Auto Ltd. to an all new height with multifold growth in next 5 years. The Art to Part philosophy of the company has already started showing positive signals towards moving up the value chain and bringing in brighter prospects to your company.

The times gone by last year have been positive and full of learnings for us. The auto industry in India produced a total of 23,366,246 vehicles including passenger vehicles, commercial vehicles, three wheelers and two wheelers in April-March 2015 as against 21,500,165 in April-March 2014, registering a growth of 8.68% over the same period last year. The sales of Passenger Vehicles grew by 3.90%, the Commercial Vehicles segment registered a de-growth

of (-) 2.83%, Three Wheelers sales grew by 10.80% and Two Wheelers sales registered growth of 8.09% in April-March 2015 over April-March 2014. The overall automobile exports grew by 14.89 percent over the same period last year. These encouraging numbers have been a result of positive factors such as encouraging policy announcements from a strong and stable political dispensation at the Centre and softening global crude oil prices in the second half of the fiscal.

I am happy to share with you that your company is riding on the opportunities created by these positive macroeconomic initiatives. To sustain the momentum, your company has also continuously introduced a series of cost-optimization measures, frugal engineering and lean manufacturing processes to improve the operational efficiencies, increased the product portfolio as a result of which we managed to perform exceedingly well. For the year ended 31st March 2015, your company has posted a 52% jump in the profit after tax at Rs 76.41 crore (Rs 50.21 crore in FY13-14) on a Sales of Rs 1556.95 crore (Rs 1363.89 crore in FY13-14). On an increased equity following the 1:1 bonus in October 2014, your company's earnings stood at Rs 18.25 per share, compared with Rs 12.19 per share (on

fully-diluted basis) during the previous year. Your company also split the face value of its equity shares from Rs 10 to Rs 5 last year.

The Board has recommended a 50% dividend on the increased equity - the highest ever in your company's history. The stellar performance came despite the headwinds of inflation, high interest rates, increasing competition and sluggish industry growth. This would not have been possible without the commitment of all my colleagues and the unstinted support of all our stakeholders.

There has been remarkable progress at the Bus Division of your company that was launched last year. The CNG variant of 'CITYLIFE', having undergone the product validation process, has now secured the homologation certificate as well. The series production of this model has started with both the bus plants having commenced production from the first half of FY15-16. Your company is manufacturing India's first true low-floor city buses which have created a new segment in the public transportation domain. The buses are being manufactured at the company's state-of-the-art facilities at Faridabad and Kosi Kalan with an annual capacity of 2000 buses. The roll out of first batch of these buses will start from the second quarter of FY15-16. The Company is betting high on 'CITYLIFE' and expects to capture significant market share in the major Metros of the country by the end of current financial year. State of the art in-house test track and prototyping facilities have also been provisioned at the Kosi facility. Further, the Bus project is currently engaged towards development of new models and multiple variants. Looking ahead, the bus project will be a major revenue driver for your company in the coming years.

Last year also witnessed enhancement of capacities at our plants in Chennai and Indore with an investment of Rs 100 crore each. The two facilities in the Chennai region - one in Maraimalai Nagar and one in Oragadam serve as the key automotive clusters in the state. These plants cater to major OEMs including Ford, Renault-Nissan, Daimler, TAFE, Ashok Leyland and many more. The investment has enhanced the capacity from 75,000 to 100,000 components and assemblies per day. Products manufactured in these facilities include chassis and suspension systems, welded assemblies, cross car

beams and others. The facility in Indore supplies to VECV that specialises in manufacturing truck cabins, exhaust systems, fuel tanks, air tanks among other components and assemblies. Besides catering to the domestic market, these plants also cater to some major OEMs in Europe, ASEAN countries, emerging markets and America.

Recently, we inaugurated a new manufacturing plant in Sanand, Gujarat for manufacturing auto components for Ford and other upcoming customers in the region with an initial investment of Rs.200 crore. The Sanand facility will primarily manufacture components such as bumper assembly, under body parts and other high-level assemblies for Ford. Your company has had a long-standing association with Ford India and we have partnered and witnessed the Ford growth story in the Indian Automobile market. With this new manufacturing facility in Sanand, we intend to further consolidate this association with a vision to offer the best quality products at the right time, which has been a constant strength for the JBM Group. The Sanand plant has capacity to cater to 2.5 lakh vehicles per annum.

We are a lot more optimistic about the future today than we were last year. With crude oil having fallen below \$50 a barrel, we envisage steady growth of the automobile sector in India as well as globally. The new government's focus on infrastructure development and manufacturing sector also augurs well with your company's business. With rapid urbanization and rising per capita incomes, newer models being introduced in the market, we are confident of automobile sales in India to remain robust in the coming years. Over the last decade, India has continuously outperformed emerging market peers and I firmly believe that it will continue to do so going ahead.

I also take this opportunity to thank our esteemed shareholders for their continued trust and support. On behalf of the management of JBM Auto, I would also like to thank all our esteemed stakeholders and bankers for their consistent support and look forward to their enthusiastic participation to achieve the ever aspiring objectives of the organisation.

Management Discussion and Analysis Report

A. ECONOMIC OVERVIEW

I. GLOBAL ECONOMY

The global economy is growing more slowly than expected, with disappointments in developing countries, especially in oil exporting countries and some emerging countries. Forecasts have been revised upwards in the Euro Area and India, but downwards in the United States, Brazil and oil-exporting countries. As a result, growth in the BRICS is increasingly diverging.

Oil prices are at an all time low as unconventional supplies have begun to adjust which otherwise has pressure, current account deficit and other issues. Currency volatility and low commodity prices present challenges to monetary and fiscal policy.

The Global GDP growth in the year 2014 was a modest 3.4%, reflecting a pickup in growth in advanced economies relative to the previous year and a slowdown in emerging markets and developing economies. Complex forces affected global activity in the year 2014 such as lower oil prices and many country or region-specific factors and exchange rate swings triggered by actual and expected changes in monetary policies. Overall, global growth is projected to reach 3.8% in year 2016, in line with the projections in the January 2015 World Economic Outlook (WEO). Global recovery will continue to be moderate and uneven. While developed economies are expected to strengthen, aided by lower oil prices and low interest rates, most emerging economies are expected to slow down moderately, due to country specific reasons with India being an exception. The Indian economy is expected to grow by around 8% in 2015-16.

II. INDIAN ECONOMY

Growth in the gross domestic product is expected to accelerate to around 8% in financial year 2015-16 on improved performance in both industry and services as policy addresses structural bottlenecks and external demand improves.

Growth is expected to edge up further to 8.2% in FY 2016-17, helped by a supportive monetary policy in 2015, as inflation continues to trend lower and by a pickup in capital expenditure.

Selected economic indicators (%) – India	FY 2015-16 *	FY 2016 - 17*
GDP Growth	7.8	8.2
Inflation	5.0	5.5
Current Account Balance (share of GDP)	-1.1	-1.5

*Source – Asian Development Bank (ADB)

The growth picked up in 2014 supported by declined inflation and the comfortable external position positive policies, stable government at the centre and lower global oil prices. The outlook for India is economic strengthening through higher infrastructure spending, increased fiscal to states, and continued reforms to financial and monetary policy. The introduction of Goods and Services Tax (GST), a value added tax that will replace all indirect taxes levied on goods and services by the Government, both Central and States, once implemented, will help to consolidate the economy. This will be one of the biggest taxation reforms that will take place in India once the Bill gets the green signal for implementation.

B. INDUSTRY STRUCTURE AND DEVELOPMENT

The worldwide automotive industry has been enjoying a period of relatively strong growth and profitability, and annual sales have reached pre-recession levels in some regions.

The Indian auto industry is the sixth largest automotive markets in the world. India is also a substantial auto exporter, with solid export growth expectations for the near future. Various initiatives by the Government of India and the major automobile players in the Indian market is expected to make India a leader in the two wheeler and four wheeler market in the world by 2020. The Make in India, Skill India Program are the Govt. of India initiatives in this direction. The Industry has long term plans and vision on where the automotive components Industry and Vehicle Industry could reach in the next 10 years in terms of size, global footprint, contribution to India's GDP, institutional structure and capabilities, regulations required for that kind of size, repair and recycling of automotive vehicles, components and services. The Industry is all set to make Indian Automotive Industry to be engine of growth of the Indian economy which also decides the fortunes of other manufacturing industries i.e Iron, Steel, Aluminum, Machine Tools, Moulds and Dies, Banking and other services. The growth in Indian Automotive Industry have a rolling effect on micro and small and medium Industries and also across multiple sectors. The Indian Automotive Industry has also realized that for sustainable growth the Industry should promote safe, efficient and comfortable mobility for every person with a eye on environment protection through stricter emission norms. The Industry is also focusing on exports to several fold. It is an endeavor of the Govt. and the Automotive Industry to make India as manufacturing and exports hub and to achieve focus competitiveness, technological advancement, infrastructure

Investment and branding. The Industry seeks to increase the share of local vehicles and components, automotive electronics, light weighting materials, moulds, dies and machinery which can save the crucial foreign exchange for the country.

The Company focuses on timely collection of receivables mostly through electronic mode and optimum inventory levels considering the JIT supply to customers which helps in reducing the working capital requirement. The payment mechanism is linked with customer collection and to bridge the working capital gap funds are borrowed at competitive rates for shorter tenor to avoid fixed liability of interest. The company enjoys credit facilities from various banks including factoring /invoice discounting, working capital demand loans etc.

F. RISKS & CONCERNS

The fostering of a healthy national automotive industry requires stable government policies both at the macro and micro economic levels, which promote the development of automotive production and sales. The Company is exposed to external and internal risks associated with the business. The operations are mainly dependent on the growth of the Indian Automotive industry. General economic conditions impact the automotive industry and in turn the operations of the Company as well.

The Company has in place the Risk Management Policy which prescribes the methodology for risk mitigation of regular operational risk associated with the Company. Various risks are identified, categorized based on their severity & probability/ likelihood of their occurrence. These operational risks are managed through an Enterprise Risk Management System with periodic review and control mechanism. Continuous efforts are made towards mitigation of risk arising due to external factors or unforeseen circumstances by

way of having adequate insurance coverages and continuously reassessing risk & taking steps to mitigate them.

The industry is dependent on various factors and your management perceives the following risk and concern for its business:

- Increase in raw materials cost especially of steel;
- Increase in petroleum prices reduces the purchasing power of the customer which results in decrease in sales of automobiles;
- Increase in interest rate by banks;
- Slowdown in the economy;
- Currency depreciation;
- Credit and default risks;

RISK MITIGATION MEASURES

- Implement cost reduction through budgetary control of operating expenses;
- Retain and motivate talent by focused employee development programs;
- Process improvements projects in both manufacturing and administrative areas to sustain growth for future so as to increase business competence;
- Diversification into new product lines so as to ensure the sustainable growth for the future;
- The Company has an appropriate policy for transactions in foreign exchange. Appropriate hedging strategy is followed without exposures to undue risks. Most of the foreign currency exposures are hedged;

The Company had 716 permanent employees as on 31st March, 2015. The industrial relations remained peaceful and cordial throughout the year.

I. RESEARCH AND DEVELOPMENT

I) Bus division

The Company has set up a state of art Research and Development centre at Kosi.

The R&D Centre is a recognized In House R&D Unit by the Ministry of Science and Technology, Department of Scientific and Industrial Research, Technology Bhavan, New Mehrauli Road, New Delhi – 110016

The R&D Centre is focusing on enhancing product portfolio of buses, development of various variants viz CNG, diesel, for premium and standard applications. During the year R&D Centre has successfully integrated aggregates like independent front suspension, inverted portal axle and has also worked on localization with proven international performance parameters thereby ensuring safety, comfort and ease to the passengers.

The R&D Team is engaged in development of its variants like premium and standard by using in house modelling, engineering, simulation and prototyping facilities. Several other processes of product development are part of this initiative to deliver robust design in short duration, component development and system validation with competent suppliers.

The R&D Team is focussing on modularity, development of parts, Quality, Cost, Delivery, Development (QCDD), creating adequate competency for delivery of quality products and creating multiplicity of products.

Our R&D has also given a lot of emphasis on improving the robustness of product design. Comprehensive reliability program has been executed to identify and improve product performance and durability parameters. Accelerated testing and validation has been carried out in various road-load duty cycles and test tracks to identify the product irritants and concerns by resolving them with efficiency.

The key areas where R&D centre will be focusing on developing the products as per forthcoming regulations, enhancing product performance specially NVH (noise & vibration) reduction, fuel efficiency and achieving cost efficiency in the product.

R&D team is actively engaged in adapting world class aggregates with latest technology like IFS/IPA and multiplexing in our bus. Real time data has been captured and simulated for improving passenger ride and comfort.

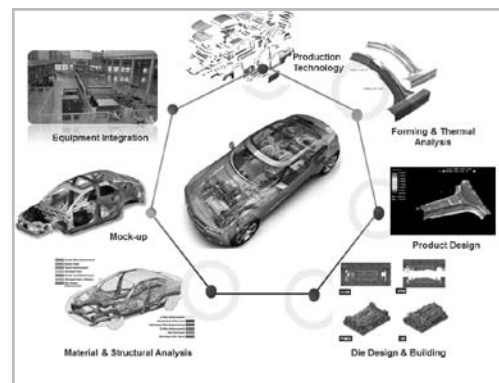

II) Component & Tooling division

The Company carries out In house research and development to continuously improve upon its products, increasing efficiency, cost reduction and has been consistently focusing on frugal engineering processes to upgrade, modernize and increase the product portfolio.

The key focus areas have been efficiency enhancement through design change and light weighting, thus continuously evolving and improving the systems and processes.

The Company is also using concurrent engineering and simultaneous engineering by involving the Tier I, Tier II suppliers in design, development and engineering stage which helps to reduce the development time, gives cost advantage, time reduction and also gives a robust design to the customer. Your company uses simultaneous engineering whereby the supplier is also involved in process engineering and manufacturing feasibility which cuts down on time and cost.

The Company uses alternate material for the moving /chassis/body parts which require fatigue strength. The selection of high tensile steel and micro alloy steel meets the required tensile requirement and imparts strength, while the weight of the material is quite low. This step provides cost advantage and makes the products of JBMA globally competitive. The genesis of using the alternate material is our focus on innovation.

J. BUS OUTLOOK

The company launched India's first True Low Floor Bus – 'CITYLIFE' at the Auto Expo 2014 showcasing the state-of-the-art technology consisting of many unique features like monocoque structure, Independent Front Suspension (IFS), Inverted Portal Axles (IPA) and Disc Brakes with ABS, ITES/PIS on all wheels among many more which gives a completely low floor bus with superior ride and handling with enhanced safety.

Developed in India, the CNG base model of 'CITYLIFE' having undergone the product validation process has secured the homologation certificate as well.

The production of this model has commenced from the first half of financial year 2015-16 alongwith the development of application specific variants like Tarmac and School Buses.

Further, the Bus division has also developed the prototype of the base model of Premium and Standard Diesel for the 'CITYLIFE'.

The Company is betting high on 'CITYLIFE' and expects to generate good presence in Tier I and Tier II cities for its multiple products for different applications. The Company has initiated development of the state of art after sales services for its customer. Your Company is pursuing plans for various products among other variants with new technologies as per market requirement.

K CORPORATE SOCIAL RESPONSIBILITY

Pursuant to Section 135 of the Companies Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Rules, 2014, your Company at the Board Meeting held on February 6, 2015 approved a Policy on CSR and the Policy was hosted on the website of the Company.

As part of CSR initiatives, your Company during the financial year 2014-15 has amongst other activities, undertaken projects in areas of Vocational Skills Training program as an approved CSR activity in accordance with Schedule VII of the Companies Act, 2013.

The Company has established Skill Development Center (SDC) at Faridabad as an approved Vocational Training Program (VTP) under Ministry of Skill Development, Government of India to offer Production, Manufacturing, Fabrication and Sector based MES training courses. This center is registered with Directorate General of Industrial Training (Haryana), Chandigarh. In addition the SDC is also registered with Government of Arunachal Pradesh and Government of Chhattisgarh. Other new Skill Development Centers are also being established at Sanand (Gujarat) and Chennai (Tamilnadu).

We adopt DUAL SYSTEM with 'earn while you learn' approach in our skill development training courses i.e basic training in training center & on job training in plants. We provide training to school leavers & drop-outs in the field of tool & die making, machine tool operation, welding, and press operation.

During the year under review, a diploma course has been started in Mechanical Engineering on 'learn & earn' concept for 10th pass candidates with a training duration of 4-Year (2 Year SDC + 2 Year University enrolment). We are also training industry personnel & engineering students on finishing school concept through short term training courses.

Sponsored candidates through Ministry of DoNER, GOI, Government of MP- MAPCET & CRISP and Government of Chhattisgarh are regularly coming to our SDC for employment oriented skill development training courses. So far we have trained more than 1000 candidates in last 2 years, and in the FY 2015-16, we plan to train 1000 candidates in our SDCs.

The report on CSR activities during the year is attached as Annexure-IV to the Directors' Report.

L. ENVIRONMENT, HEALTH AND SAFETY (EHS)

The Company is committed to provide high quality products without adversely affecting the natural resources, the environment, health and safety of all the stakeholders. The Company is committed to:

- g) Reduce waste and implement effective recycling of waste at manufacturing operations. Going forward, the Company will continue to align it's business development to support inclusive growth, social equity and concern for the environment, thereby creating value for all the stakeholders.

M. OPPORTUNITIES FOR INDIAN AUTO COMPONENT INDUSTRY

i) Government Initiatives

The Government of India encourages foreign investment in the automobile sector and allows 100% FDI under the automatic route. Excise duty on small cars, scooters, motorcycles and commercial vehicles was reduced in February 2015 to 8% from 12% to boost the 'Make in India' initiative of the Indian government.

ii) Global Components Sourcing Hub

Major global OEMs have made India a component sourcing hub for their global operations. Several global Tier-I suppliers have also announced plans to increase procurement from their Indian subsidiaries.

India is also emerging as a sourcing hub for engine components, with OEMs increasingly setting up engine manufacturing units in the country.

iii) Improving Product-Development Capabilities

Increased investments in R&D operations and laboratories are being setup to conduct activities such as analysis, simulation and engineering animations. The growth of global OEM sourcing from India and the increased indigenization of global OEMs is turning the country into a preferred designing and manufacturing base.

iv) Inorganic Route to Expansion

Domestic players are acquiring global companies to gain access to latest technology, expand their client base and diversify revenue streams.

v) Investment

The country is witnessing a favorable investment environment in all the sectors including automobile after the formation of new government under the leadership of Hon'ble Prime Minister Sh. Narendra Bhai Modi.

vi) Market Size

The Indian auto component industry is one of India's sunrise industries with tremendous growth prospects. From a low-key supplier providing components to the domestic market alone, the industry has emerged as one of the key auto components centers in Asia and is today seen as a significant player in the global automotive supply chain.

vii) End of Life Policy : The Govt. is envisaging the implementation of an End of Life policy for automotive vehicles and components which is in line with safety and preservation of environment. The policy will ensure retirement of vehicles after a stipulated usage thereby creating demand for new and more efficient vehicles.

viii) Implementation of Bus Code : The recent implementation and updation of the Bus Code in 2014, the Govt. has very clearly down played the role of the unorganized sector in the bus manufacturing business thereby giving uniform structure to the bus segment and also ensuring the quality and safety of the products. The Govt. has also defined a premium bus category for city applications.

ix) **Free Trade Agreements** : The Govt. is promoting Free Trade Agreements for auto industries which will bring more export opportunities for the domestic auto component players.

x) **Road Ahead**

The rapidly globalizing world is opening new avenues for the transportation industry, generating the need for more efficient, safe and reliable modes of transportation, which is subsequently adding to the auto component industry's growing opportunities. According to a report by the Confederation of Indian Industry (CII), the Indian Auto Component Industry is set to become the third largest in the world by 2025.

N. THREATS / CHALLENGES' TO INDIAN AUTO COMPONENT INDUSTRY

- i) Global competition from other low cost countries like China, Taiwan, Thailand etc.
- ii) Expansion of the European Union inclusion of Hungary, Czech Republic Poland etc which are major exporting countries to western Europe.
- iii) Rupee depreciation
- iv) Developments of new technologies like fuel cell, hydrogen powered vehicles, which may affect the auto component industry.
- v) High cost of capital
- vi) Optimum capacity utilization
- vii) Building R&D competence & ecosystem
- viii) Availability of skilled labour

O. BUSINESS OUTLOOK

The prospects of the auto component industry are closely linked to the economic growth. The Company has been continuously working on improving its operating efficiency, quality, diversifying its product range and adding optimal capacity as per the requirements of the customers. The Company will safeguard its culture of continuous improvements, teamwork, discipline and stakeholder sensitivity.

It is expected that the new and stable Central Government will bring economic stabilization, growth in economy and boost investment climate and market sentiment. Hence, the revenue in the coming years is expected to be better than the previous years.

With the Government's "Make in India" initiative boosting manufacturing and moderate growth in GDP (estimated to be around 8% during the current fiscal) spurring Industry, commodity prices under control and growth in industrial activity visible being indicators of a positive outlook – the Indian auto sector is set for a better ride this fiscal.

Car makers, both domestic and foreign have lined up investments of almost \$ 10 billion or nearly Rupees 60000 crores over the next few years for creating more capacities and also entering into newer segments. The expansion plans renew the long term Indian markets, prospects besides exploiting its potential as an exports market. The above proposed investments in new products and research and development reinforces the brand India globally by the "Make in India" initiative. With the above investments, the auto components industry is also expected to get major boost.

The Company has foreseen the scenario of incoming proposed domestic and foreign investments in Gujarat. In the last quarter of FY 14-15, company has set up a unit at Sanand, Gujarat through its subsidiary JBM Auto Systems Private Limited primarily for supplying components to Ford. Company already has a unit in Sanand and is increasing its presence in the region.

The Company has a complete business model using latest technology and machinery and takes continuous measures for cost optimization.

Even as the current market situation poses challenges, we believe that there is significant room for growth. The focus going forward, will be to capitalize on the opportunity leveraging the scalability that the Company has achieved through its geared operations. Therefore, the outlook for 2015-16 is optimistic.

Independent Auditor's Report

TO THE MEMBERS OF JBM AUTO LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of JBM AUTO LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud and error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account ;
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 18 to the financial statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, on long-term contracts including derivative contracts – Refer Note 22 to the financial statements;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure to Independent Auditors' Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- i.
 - a. The Company has generally maintained proper records showing full particulars including quantitative details and situation of fixed assets.
 - b. The fixed assets covering significant value have been physically verified by the management during the year, which in our opinion is reasonable, having regard to the size of the Company and the nature of its business. On the basis of the information and explanations given by the management, no material discrepancies have been noticed on such verification
- ii.
 - a. The inventory of the Company in its possession has been physically verified by the management at reasonable intervals. Stocks in the possession and custody of third parties and stocks-in-transit as on March 31, 2015, have been verified by the management with reference to confirmations or statements of account or correspondence of the third parties or subsequent receipt of goods. In our opinion the frequency of verification is reasonable.
 - b. The procedure of physical verification of inventories followed by the management is reasonable and adequate in relation to the size of the Company and the nature of its business.
 - c. The Company has generally maintained proper records of inventory. The discrepancies noticed on physical verification of inventory as compared to book records were not material and these have been properly dealt with in the books of account.
- iii. The Company has not granted any loans, secured or unsecured to companies, firms and other parties covered in the register maintained under section 189 of the Act.
- iv. In our opinion, and according to the information and explanations given to us, the internal control procedures are generally adequate and commensurate with the size of the Company and the nature of its business with regard to purchases of inventory and fixed assets and for the sale of goods and services. During the course of our audit we have not observed any continuing failure to correct major weaknesses in internal controls.
- v. In our opinion and according to information and explanation given to us, the Company has not accepted any deposits as per the provision of the Act.
- vi. On the basis of records produced before us, we are of the opinion that prima facie, the cost records and accounts prescribed by the central government under Companies Act 2013 have been maintained. However, we have not, nor we are required, carried out any detailed examination of such accounts and records.
- vii.
 - a. According to records of the Company, undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Wealth Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other statutory dues have been generally regularly deposited with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at March 31, 2015 for a period more than six months from the date of becoming payable.
 - b. According to the information and explanations given to us, there were no dues in respect of Income Tax, Duty of Excise, Duty of Customs, Cess, Sales Tax, Service Tax, Value Added Tax and Wealth Tax which have not been deposited on account of any dispute except the following:

Notes Forming Part of Financial Statements

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES

a) BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting in accordance with the accounting principles generally accepted in India ('Indian GAAP') and comply with the Accounting Standards prescribed in the Companies (Accounting Standards) Rules, 2006 which continue to apply under Section 133 of the Companies Act, 2013, ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 and other relevant provisions of the Companies Act, 1956, to the extent applicable.

b) USE OF ESTIMATES

The preparation of financial statements require estimates and assumptions to be made that affect the reported amount of asset and liabilities on the date of the financial statements and the reported amount of the revenue and the expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

c) REVENUE/EXPENDITURE RECOGNITION

Revenue represents the net invoice value of goods and services provided to third parties after deducting discounts, outgoing sales tax and other duties, and are recognized when all significant risks and rewards/ownership are transferred to the customer. Revenues from sale of material by products are included in revenue.

Dividend income is recognized when the Company's right to receive dividend is established. Interest and Royalty income are recognized on accrual basis in the Statement of Profit and Loss.

Expenditure is accounted for on accrual basis and provision is made for all known losses and liabilities.

d) GOVERNMENT GRANTS

Grants and subsidies from the government are recognized when there is reasonable assurance that the company will comply with the conditions attached to them, and the grants/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on the systematic basis in the statement of profit and loss over the periods necessary to match them with related costs which they are intended to compensate. Where the grants relates to an asset, it is recognized as deferred income and released to income in equal amounts over the expected useful life of the related asset.

Where the company receives non-monetary grants, the assets are accounted for on the basis of its acquisition cost. In case a non-monetary asset is given free of cost, it is recognized at a nominal value.

Government grants of the nature of promoter's contribution are credited to capital reserve and treated as a part of the shareholders' funds.

e) EXTRA-ORDINARY ITEMS

Extraordinary items are those income or expense that arises from events or transactions that are clearly distinct from the ordinary activities of the enterprise, and, therefore, are not expected to recur frequently or regularly.

f) EXCEPTIONAL ITEMS

Exceptional items are those items of income or expense arising from ordinary activities, are of such size, nature or incidence that requires separate disclosure to explain the performance of the enterprise.

g) FIXED ASSETS

The initial cost of Fixed Assets comprises its purchase price, including import duties, net of modvat/ cenvat, less accumulated depreciation and include directly attributable costs of bringing an asset to working condition and location for its intended use, including borrowing costs relating to the qualified asset over the period upto the date the asset is ready to commence commercial production. Adjustments arising from exchange rate variations relating to long term monetary items attributable to the depreciable fixed assets are capitalized.

Machine spares that can be used only in connection with an item or fixed asset and their use is expected to be irregular are capitalized. The replacement of such spares is charged to revenue.

h) ASSETS IN THE COURSE OF CONSTRUCTION

Assets in the course of construction are capitalized in the assets under construction account. At the point when an asset is operating at enterprises intended use, the cost of construction is transferred to appropriate category of fixed assets. Costs associated with the commissioning of an asset are capitalized where the asset is available for use but incapable of operating at normal levels until a period of commissioning has been completed.

Notes Forming Part of Financial Statements

i) INTANGIBLE ASSETS

In accordance with the Accounting Standard (AS) 26 relating to intangible assets, all costs incurred on technical know how/license fee relating to production process are charged to revenue in the year of incurrence. Technical know how/license fee/ product development relating to process design/plants/facilities are capitalized at the time of capitalization of the said plants/ facilities and amortized as follows:-

- a) Computer software – 3 years
- b) Technical know-how – 5 years
- c) License fees, design & prototype related to Bus division – 7 years

j) IMPAIRMENT OF ASSETS

Carrying amount of cash generating units/Fixed assets are reviewed for impairment, if events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. The excess of carrying value over the recoverable amount of the asset is charged, as an impairment loss to the Statement of Profit & Loss.

k) DEPRECIATION

Depreciation on fixed assets is provided to the extent of Depreciable amount on straight line method based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II are used, based on technical advice which considered the nature of assets, the usage of asset, expected physical wear & tear etc.

Assets	Years
Plant & Machinery & Electric Installation	20
Pallets, Tools & Dies	8
Leasehold land for less than 90 years	Over the remaining period of leasehold from the date of commissioning of plant

Individual assets costing ₹ 5000/- or less are depreciated in full, in the year of purchase. Depreciation on incremental cost arising on account of translation of foreign currency liabilities for acquisition of fixed assets is provided as aforesaid over the residual life of the respective assets.

l) INVENTORIES

Inventories are valued at lower of Cost and Net Realizable Value. The cost is determined on the following basis:

Raw material is recorded at cost on a First In First Out (FIFO) method.

Finished Goods and Work in Process valued at raw material cost plus cost of conversion and other costs incurred in bringing the inventory to its present location and condition

By Product and Scrap are valued at net realizable value.

m) INVESTMENTS

Investments are classified into Current and Non Current investments. Current investments are stated at lower of cost or market value. Non Current investments are stated at cost and provision for diminution in value is made only if such decline is other than temporary in the opinion of management.

n) FOREIGN EXCHANGE TRANSACTIONS

Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of transaction. Monetary items denominated in foreign currencies outstanding at the year-end are translated at exchange rate applicable as on that date. Non-monetary items denominated in foreign currency are valued at the exchange rate prevailing on the date of transaction. Any income or expense on account of exchange difference on forward exchange contract and on settlement or on translation is recognized in the Statement of Profit and Loss, except in the following cases:-

- a) Exchange differences relating to long term monetary items attributable to depreciable fixed assets are capitalized; and
- b) Exchange differences relating to long term monetary item not attributable to depreciable fixed assets are transferred to "Foreign Currency Monetary Item Translation Difference Account" and amortised over its tenor till maturity.

o) BORROWING COST

Borrowing Cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from short term foreign currency borrowings to the extent they are regarded as adjustments to interest cost.

Notes Forming Part of Financial Statements

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

p) EMPLOYEE'S BENEFITS

- i. Short term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which related service is rendered.
- ii. The Company has defined contribution plans for post retirement benefits, namely, Employees Provident Fund Scheme administered through provident fund commissioner and the company's contribution are charged to revenue every year.
- iii. Company's contribution to state plans namely Employees State Insurance Fund is charged to revenue every year.
- iv. The company has defined benefit plans namely Leave encashment / Compensated absence and Gratuity, the liability for which is determined on the basis of an Actuarial valuation at the end of the year. Gratuity Trust is administered through Life Insurance Corporation of India.
- v. Termination benefits are recognized as an expense immediately.
- vi. Gain or Loss arising out of actuarial evaluation is recognized immediately in the Statement of Profit and Loss as income or expense.

q) CLAIMS

Claims receivable are accounted for depending on the certainty of receipt and claims payable are accounted for at the time of acceptance.

r) EXCISE DUTY

Excise duty payable is accounted on the basis of both payments made in respect of goods cleared as also provision made for goods lying in bonded warehouse.

s) RESEARCH AND DEVELOPMENT COSTS

Research costs are expensed as incurred. Development expenditure incurred on an individual project is recognized as an intangible asset when the company can demonstrate all the following:

- i) The technical feasibility of completing the intangible asset so that it will be available for use or sale
- ii) Its intention to complete the asset
- iii) How the asset will generate future economic benefits
- iv) The availability of adequate resources to complete the development and to use or sell the asset
- v) The ability to measure reliably the expenditure attributable to the intangible asset during development.

Following the initial recognition of the development expenditure as an asset, the cost model is applied requiring the asset to be carried at cost less any accumulated amortization and accumulated impairment losses. Amortization of the asset begins when development is complete and the asset is available for use.

t) TAX EXPENSE

Provision for current income tax is made after taking credit for allowances and exemptions using the tax rate and laws that have been enacted or substantially enacted on the Balance Sheet date. In case of matters under appeal, due to disallowances or otherwise, provision is made when the said liabilities are accepted by the Company.

Minimum alternative tax (MAT) paid in accordance to the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the company will pay the income tax. Accordingly, MAT is recognized as an asset in the balance sheet when it is probable that the future economic benefit associated with it will flow to the company and the asset can be measured reliably.

Deferred tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws that are enacted as on the balance sheet date.

Deferred tax asset arising from temporary differences are recognized to the extent there is virtual certainty of realization of asset in future.

u) PROPOSED DIVIDEND

Dividend as proposed by the Board of Directors is provided for in the books of account, pending approval of the Members at the Annual General Meeting.

Notes Forming Part of Financial Statements

v) PROVISION AND CONTINGENT LIABILITY

Show cause notices issued by various Government Authorities are not considered as obligation. When the demand notices are raised against such show cause notices and are disputed by the Company then these are classified as possible obligation.

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in notes.

w) DERIVATIVE FINANCIAL INSTRUMENTS

In respect of the Financial derivative contracts the premium / interest paid and profit / loss on settlement is charged to Statement of Profit & Loss. The contracts entered into other than forward contracts are marked to market at year end and the resultant loss is charged to Statement of Profit & Loss except in the cases these relate to the depreciable fixed assets in which case these are adjusted to the carrying cost of such assets.

x) CONTINGENCIES & COMMITMENTS

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, these are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements, although there can be no assurance regarding the final outcome of the legal proceedings, the Company does not expect them to have a materially adverse impact on the financial position or profitability.

NOTE: 29 The Company has taken land on lease for a period of 35 years, admeasuring 9.579 acre under an agreement commencing w.e.f. 5th May, 2009 with Tata Motors Ltd. on an annual rent payable from the 3rd year onwards. The lease rent as stipulated in the agreement shall increase periodically.

NOTE: 30 In accordance with the provisions of Schedule II to the Companies Act 2013, the Company has revised the useful life of its fixed assets based on technical assessment from April 1, 2014 as further amended on August 29, 2014. In case of fixed assets where the useful life is NIL as determined above, the company has adjusted the net residual value as at April 1, 2014 aggregating to ₹ 56.55 lacs (net of deferred tax of ₹ 29.12 lacs) to retained earnings. Further depreciation for the period up to 31-03-2015 is lower and the profit before tax is higher to the extent of ₹ 102.12 lacs.

Effective April 1, 2014, the Company has revised the useful life of Intangible assets to 3 to 7 years as against existing 3 years. Consequently amortization for the year is lower and profit before tax is higher by ₹ 143.49 lacs.

NOTE: 31 Other Non-Current Assets and Advance Recoverable in Cash or in Kind or for Value to be received include Singur project relocation cost, which shall be recovered from Tata Motors Ltd.

NOTE: 32 The Company has filed a writ petition with the Hon'ble High Court of Kolkatta, West Bengal for injunction restraining the Govt. of West Bengal for acting in terms of Singur Land rehabilitation and Development Act, 2011. The Division Bench of the Kolkatta High Court had held that the Singur Act was unconstitutional and had therefore struck down the Act. The State Government has challenged the said judgment of the Kolkatta High Court before the Hon'ble Supreme Court and the same is still pending. Meanwhile the Division Bench had granted a stay on the said order dated 21st June, 2012 which has also been extended by Supreme Court. By virtue of the order of stay, the State Government is still retaining the possession of the Singur land.

Pending finalization of the case, the company has not made any provision against advance given for the same.

Notes Forming Part of Financial Statements

NOTE: 33 The Company was awarded a sum of ₹ 355.13 Lacs in the arbitration proceedings against a trade receivable. The other Party had appealed against the arbitration order in the Supreme Court of India and has deposited 50% of the said sum amounting to ₹ 177.56 Lacs in the form of Interest bearing FDR's till the finalization of appeal. In pursuance of the SLP, the Hon'ble Supreme Court of India has allowed to release the said sum of 50% along with interest, an amount of ₹ 231.02 Lacs in favour of the company with a direction that if ultimately the SLP is decided against the Company, then the Company has to refund the amount with interest.

During the year the Hon'ble Supreme court of India decided the SLP in favour of the company and a further sum of ₹ 609.44 lacs (in addition to ₹ 231.02 lacs) was given to company. Pursuant to above decision, the company has received total of ₹ 840.46 lacs which comprises ₹ 355.14 lacs disputed receivable & ₹ 485.32 lacs interest thereon.

In view of the same the interest so received is recognized as exceptional items amounting to ₹ 201.51 lacs after adjusting litigation expenses of ₹ 283.81 lacs.

NOTE: 34 In order to promote investment in the state of Rajasthan and to generate further employment opportunities through such investment, the state has notified "The Rajasthan investment promotion scheme 2010" under which an enterprise commencing commercial production/operation is granted a subsidy from the date on which the enterprise makes sales up to a period of 7 years by an investment subsidy of 30% of the sales tax payable which have become due. The same has been in accordance with AS-12 "Accounting for Government Grants" notified under Companies (Accounting Standard) Rules, 2006 credited to statement of Profit and Loss under the head "other income". For the purpose of Calculation of taxable income as per Income Tax Act, such Investment Subsidy has been considered as capital receipt.

NOTE: 35 On 5th November, 2014, a fire occurred in the administration block of the SPV unit (Ballabgarh, Haryana) of the Company. All the records, documents, computer system etc. were burnt. The aforesaid results have been compiled & audited on the basis of information available with the Company at its other locations / corporate office, which in the opinion of auditors is reasonable and reliable. The Company has filed the insurance claim against the loss, which is pending for settlement. No provision has been made for the same. Any variation from insurance claim filed will be accounted for as and when it is realized

TO THE MEMBERS OF JBM AUTO LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **JBM AUTO LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and jointly controlled entities, comprising of the Consolidated Balance Sheet as at 31st March, 2015, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and of jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Basis for Qualified Opinion

During the year, One of the Subsidiary Company has recognized net revenue of ₹ 245.80 lacs on tooling development based on technical acceptance / conditional acceptance by the customer. This is inconsistent with the past practice of the said Company, where revenue was recognized upon invoicing the customer. Had the revenue been recognized in accordance with the past practice, the revenues and profit for the period before tax would have been lower by ₹ 245.79 lacs. The gross sales value of such tools is ₹ 761.21 lacs for which invoices are yet to be raised. The related excise duty of ₹ 94.08 lacs has not been provided for / paid in the current year.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matter described in the Basis of Qualified Opinion paragraph above*, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and jointly controlled entities as at 31st March, 2015, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

- (a) We did not audit the financial statements / financial information of two jointly controlled entities, whose financial statements / financial information reflect total assets of ₹ 28222.58 lacs as at 31st March, 2015, total revenues of ₹ 32555.56 lacs and net cash flows amounting to ₹ 380.39 lacs for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary and jointly controlled entity, and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid jointly controlled entities is based solely on the reports of the other auditors.
- (b) We did not audit the financial statements / financial information of one subsidiary, whose financial statements / financial information reflect total assets of ₹ 50403.38 Lacs as at 31st March, 2015, total revenues of ₹ 72159.18 Lacs and net cash flows amounting to ₹ 79.96 lacs for the year ended on that date, as considered in the consolidated financial statements. These financial statements/ financial information are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid subsidiary is based solely on such unaudited financial statements / financial information.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2015 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, based on the comments in the auditors' reports of the Holding company, subsidiary companies, and jointly controlled companies incorporated in India, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2015 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies, and jointly controlled companies incorporated in India, none of the directors of the Group companies, and jointly controlled companies incorporated in India is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
 - With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, and jointly controlled entities— Refer Note 22 to the consolidated financial statements.
 - Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts – Refer Note 26 to the consolidated financial statements in respect of such items as it relates to the Group, and jointly controlled entities.
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies, associate companies and jointly controlled companies incorporated in India.

Management / Board Response on the above Qualified Opinion

As per our accounting policy on revenue recognition, revenue from tooling development contracts, which are generally "time bound fixed price contracts" are recognized upon successful completion and delivery of tools to the buyers/customers. In the particular case tools have been satisfactorily accepted by the buyer/customer through PSW mechanism for tools to run in our plant only and parts supply have already taken place from the said tools. Therefore, the revenue has been recognized as per Accounting Standard - 9.

As Excise Duty liability arises on dispatch, therefore the same is not required to be provided for.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES

1. BASIS OF CONSOLIDATION

The consolidated financial statements related to JBM Auto Limited (the Company) and its subsidiaries and Joint Ventures. The accounts are prepared on historical cost basis and in accordance with the applicable accounting standards and other applicable relevant statutes.

A. BASIS OF ACCOUNTING

- i. The financial statements of the subsidiary company used in the consolidation are drawn up to the same reporting date as of the Company i.e. year ended March 31, 2015.
- ii. The financial statements of the Company and subsidiary companies have been prepared in accordance with the applicable Accounting Standards and generally accepted accounting principles.

B. PRINCIPLES OF CONSOLIDATION

The consolidated financial statements have been prepared in accordance with the applicable Accounting Standards on the following basis:-

- i. The financial statements of the Company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balance and intra-group transactions resulting in unrealized profits or losses in accordance with Accounting Standard (AS) 21 –“Consolidated Financial Statements” as notified under Companies Accounting Standard Rules, 2006.
- ii. The Financial statement of Joint Venture Company have been combined by applying proportionate consolidation method on a line by line basis on items of assets, liabilities, income and expenses after eliminating proportionate share of unrealized profit or losses in accordance with Accounting Standard (AS) 27 on “Financial Reporting of Interest in Joint Ventures’ as notified under Companies Accounting Standard Rules, 2006.
- iii. The Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible in the same manner as the company’s separate Financial Statements except as otherwise disclosed in the Notes to Accounts.
- iv. The excess of the cost to the Company of its Investment in Subsidiaries and Joint Venture over its share/proportionate share in the equity of the investee company as at the date of acquisition of stake is recognized in the Financial Statements as Goodwill. In case the cost of investment in a Subsidiary or Joint Venture is less than the share/proportionate share in the equity of the investee as on the date of the Investment, the difference is treated as Capital Reserve. Goodwill/Capital Reserve measured as above of more than one subsidiary, have not been netted off for the purpose of consolidation.
- v. Minority interest’s share of net profit/Loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- vi. Minority interest’s share of Net Assets of consolidated subsidiaries is identified and presented in the consolidated Balance Sheet separately from liabilities and the equity of the company’s shareholders.

C. OTHER SIGNIFICANT ACCOUNTING POLICIES

1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting in accordance with the accounting principles generally accepted in India (‘Indian GAAP’) and comply with the Accounting Standards prescribed in the Companies (Accounting Standards) Rules, 2006 which continue to apply under Section 133 of the Companies Act, 2013, (‘the Act’) read with Rule 7 of the Companies (Accounts) Rules, 2014 and other relevant provisions of the Companies Act, 1956, to the extent applicable.

2. USE OF ESTIMATES

The preparation of financial statements require estimates and assumptions to be made that affect the reported amount of asset and liabilities on the date of the financial statements and the reported amount of the revenue and the expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

3. REVENUE/EXPENDITURE RECOGNITION

Revenue represents the net invoice value of goods and services provided to third parties after deducting discounts, outgoing sales tax and other duties, and are recognized when all significant risks and rewards/ownership are transferred to the customer. Revenues from sale of material by products are included in revenue.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Dividend income is recognized when the Company's right to receive dividend is established. Interest and Royalty income are recognized on accrual basis in the Statement of Profit and Loss.

Expenditure is accounted for on accrual basis and provision is made for all known losses and liabilities.

4. GOVERNMENT GRANTS

Grants and subsidies from the government are recognized when there is reasonable assurance that the company will comply with the conditions attached to them, and the grants/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on the systematic basis in the statement of profit and loss over the periods necessary to match them with related costs which they are intended to compensate. Where the grant relates to an asset, it is recognized as deferred income and released to income in equal amounts over the expected useful life of the related asset.

Where the company receives non-monetary grants, the assets are accounted for on the basis of its acquisition cost. In case a non-monetary asset is given free of cost, it is recognized at a nominal value.

Government grants of the nature of promoter's contribution are credited to capital reserve and treated as a part of the shareholders' funds.

5. EXTRA-ORDINARY ITEMS

Extraordinary items are those income or expense that arises from events or transactions that are clearly distinct from the ordinary activities of the enterprise, and, therefore, are not expected to recur frequently or regularly.

6. EXCEPTIONAL ITEMS

Exceptional items are those items of income or expense arising from ordinary activities, are of such size, nature or incidence that requires separate disclosure to explain the performance of the enterprise.

7. FIXED ASSETS

The initial cost of Fixed Assets comprises its purchase price, including import duties, net of modvat/ cenvat, less accumulated depreciation and include directly attributable costs of bringing an asset to working condition and location for its intended use, including borrowing costs relating to the qualified asset over the period upto the date the asset is ready to commence commercial production. Adjustments arising from exchange rate variations relating to long term monetary items attributable to the depreciable fixed assets are capitalized.

Machine spares that can be used only in connection with an item or fixed asset and their use is expected to be irregular are capitalized. The replacement of such spares is charged to revenue.

8. ASSETS IN THE COURSE OF CONSTRUCTION

Assets in the course of construction are capitalized in the assets under construction account. At the point when an asset is operating at enterprises intended use, the cost of construction is transferred to appropriate category of fixed assets. Costs associated with the commissioning of an asset are capitalized where the asset is available for use but incapable of operating at normal levels until a period of commissioning has been completed.

9. INTANGIBLE ASSETS

In accordance with the Accounting Standard (AS) 26 relating to intangible assets, all costs incurred on technical know how/ license fee relating to production process are charged to revenue in the year of incurrence. Technical know how/license fee/ product development relating to process design/plants/facilities are capitalized at the time of capitalization of the said plants/ facilities and amortized as follows:-

a) Computer software	– 3 years
b) Technical know-how	– 5 years
c) License fees, design & prototype related to Bus division	– 7 years

10. IMPAIRMENT OF ASSETS

Carrying amount of cash generating units/Fixed assets are reviewed for impairment, if events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. The excess of carrying value over the recoverable amount of the asset is charged, as an impairment loss to the Statement of Profit & Loss.

11. DEPRECIATION

Depreciation on fixed assets is provided to the extent of Depreciable amount on straight line method based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II are used, based on technical advice which considered the nature of assets, the usage of asset, expected physical wear & tear etc.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Assets	Years
Plant & Machinery & Electric Installation	20
Pallets, Tools & Dies	8
Leasehold land for less than 90 years	Over the remaining period of leasehold from the date of commissioning of plant

Individual assets costing ₹ 5000/- or less are depreciated in full, in the year of purchase. Depreciation on incremental cost arising on account of translation of foreign currency liabilities for acquisition of fixed assets is provided as aforesaid over the residual life of the respective assets.

12. INVENTORIES

Inventories are valued at lower of Cost and Net Realizable Value. The cost is determined on the following basis:

Raw material is recorded at cost on a First In First Out (FIFO) method.

Finished Goods and Work in Process valued at raw material cost plus cost of conversion and other costs incurred in bringing the inventory to its present location and condition

By Product and Scrap are valued at net realizable value.

13. INVESTMENTS

Investments are classified into Current and Non Current investments. Current investments are stated at lower of cost or market value. Non Current investments are stated at cost and provision for diminution in value is made only if such decline is other than temporary in the opinion of management.

14. FOREIGN EXCHANGE TRANSACTIONS

Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of transaction. Monetary items denominated in foreign currencies outstanding at the year-end are translated at exchange rate applicable as on that date. Non-monetary items denominated in foreign currency are valued at the exchange rate prevailing on the date of transaction. Any income or expense on account of exchange difference on forward exchange contract and on settlement or on translation is recognized in the Statement of Profit and Loss, except in the following cases:-

- Exchange differences relating to long term monetary items attributable to depreciable fixed assets are capitalized; and
- Exchange differences relating to long term monetary item not attributable to depreciable fixed assets are transferred to "Foreign Currency Monetary Item Translation Difference Account" and amortised over its tenor till maturity.

15. BORROWING COST

Borrowing Cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from short term foreign currency borrowings to the extent they are regarded as adjustments to interest cost.

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

16. EMPLOYEE'S BENEFITS

- Short term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which related service is rendered.
- The Company has defined contribution plans for post retirement benefits, namely, Employees Provident Fund Scheme administered through provident fund commissioner and the company's contribution are charged to revenue every year.
- Company's contribution to state plans namely Employees State Insurance Fund is charged to revenue every year.
- The company has defined benefit plans namely Leave encashment / Compensated absence and Gratuity, the liability for which is determined on the basis of an Actuarial valuation at the end of the year. Gratuity Trust is administered through Life Insurance Corporation of India.
- Termination benefits are recognized as an expense immediately.
- Gain or Loss arising out of actuarial evaluation is recognized immediately in the Statement of Profit and Loss as income or expense.

17. CLAIMS

Claims receivable are accounted for depending on the certainty of receipt and claims payable are accounted for at the time of acceptance.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

18. EXCISE DUTY

Excise duty payable is accounted on the basis of both payments made in respect of goods cleared as also provision made for goods lying in bonded warehouse.

19. RESEARCH AND DEVELOPMENT COSTS

Research costs are expensed as incurred. Development expenditure incurred on an individual project is recognized as an intangible asset when the company can demonstrate all the following:

- i) The technical feasibility of completing the intangible asset so that it will be available for use or sale
- ii) Its intention to complete the asset
- iii) How the asset will generate future economic benefits
- iv) The availability of adequate resources to complete the development and to use or sell the asset
- v) The ability to measure reliably the expenditure attributable to the intangible asset during development.

Following the initial recognition of the development expenditure as an asset, the cost model is applied requiring the asset to be carried at cost less any accumulated amortization and accumulated impairment losses. Amortization of the asset begins when development is complete and the asset is available for use.

20. TAX EXPENSE

Provision for current income tax is made after taking credit for allowances and exemptions using the tax rate and laws that have been enacted or substantially enacted on the Balance Sheet date. In case of matters under appeal, due to disallowances or otherwise, provision is made when the said liabilities are accepted by the Company.

Minimum alternative tax (MAT) paid in accordance to the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the company will pay the income tax. Accordingly, MAT is recognized as an asset in the balance sheet when it is probable that the future economic benefit associated with it will flow to the company and the asset can be measured reliably.

Deferred tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws that are enacted as on the balance sheet date.

Deferred tax asset arising from temporary differences are recognized to the extent there is virtual certainty of realization of asset in future.

21. PROPOSED DIVIDEND

Dividend as proposed by the Board of Directors is provided for in the books of account, pending approval of the Members at the Annual General Meeting.

22. PROVISION AND CONTINGENT LIABILITY

Show cause notices issued by various Government Authorities are not considered as obligation. When the demand notices are raised against such show cause notices and are disputed by the Company then these are classified as possible obligation.

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is a probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in notes.

23. DERIVATIVE FINANCIAL INSTRUMENTS

In respect of the Financial derivative contracts the premium / interest paid and profit / loss on settlement is charged to Statement of Profit & Loss. The contracts entered into other than forward contracts are marked to market at year end and the resultant loss is charged to Statement of Profit & Loss except in the cases these relate to the depreciable fixed assets in which case these are adjusted to the carrying cost of such assets.

24. CONTINGENCIES & COMMITMENTS

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, these are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements, although there can be no assurance regarding the final outcome of the legal proceedings, the Company does not expect them to have a materially adverse impact on the financial position or profitability.

NOTE: 30 The Company has taken land on lease for a period of 35 years, admeasuring 9.579 acre under an agreement commencing w.e.f. 5th May 2009 with Tata Motors Ltd. on an annual rent payable from the 3rd year onwards. The lease rent as stipulated in the agreement shall increase periodically.

NOTE: 31 Other Non-Current Assets and Advance Recoverable in Cash or in Kind for Value to be Received includes Singur project relocation cost, which shall be recovered from Tata Motors Ltd.

NOTE: 32 The Company has filed a writ petition with the Hon'ble High Court of Kolkatta, West Bengal for injunction restraining the Govt. of West Bengal for acting in terms of Singur Land rehabilitation and Development Act, 2011. The Division Bench of the Kolkata High Court had held that the Singur Act was unconstitutional and had therefore struck down the Act. The State Government has challenged the said judgment of the Kolkata High Court before the Hon'ble Supreme Court and the same is still pending. Meanwhile the Division Bench had granted a stay on the said order dated 21st June, 2012 which has also been extended by Supreme Court. By virtue of the order of stay, the State Government is still retaining the possession of the Singur land.

Pending finalization of the case, the company has not made any provision against advance given for the same.

NOTE: 33 The Company was awarded a sum of ₹ 355.13 Lacs in the arbitration proceedings against a trade receivable. The other Party had appealed against the arbitration order in the Supreme Court of India and has deposited 50% of the said sum amounting to ₹ 177.56 Lacs in the form of Interest bearing FDR's till the finalization of appeal. In pursuance of the SLP, the Hon'ble Supreme Court of India has allowed to release the said sum of 50% along with interest, an amount of ₹ 231.02 Lacs in favour of the company with a direction that if ultimately the SLP is decided against the Company, then the Company has to refund the amount with interest.

During the year the Hon'ble Supreme court of India decided the SLP in favour of the company and a further sum of ₹ 609.44 lacs (in addition to ₹ 231.02 lacs) was given to company. Pursuant to above decision the company has received total of ₹ 840.46 lacs which comprises ₹ 355.14 lacs disputed receivable & ₹ 485.32 lacs interest thereon.

In view of the same the interest so received recognized as exceptional items of ₹ 201.51 lacs after adjusting litigation expenses of ₹ 283.81 lacs.

NOTE: 34 The Company has decided to exercise the option provided in notification GSR No.914(E) dated 29-12-2011 issued by ministry of companies affairs regarding the treatment of exchange differences.

NOTE: 35 On 5th November, 2014, a fire occurred in the administration block of the SPV unit (Ballabgarh, Haryana) of the Company. All the records, documents, computer system etc. were burnt. The aforesaid results have been compiled & audited on the basis of

information available with the Company at its other locations / corporate office, which in the opinion of Auditors is reasonable and reliable. The Company has filed the insurance claim against the loss, which is pending for settlement. No provision has been made for the same. Any variation from insurance claim filed will be accounted for as and when it is realized.

NOTE: 36 In accordance with the provisions of Schedule II to the Companies Act 2013, the Company has revised the useful life of its fixed assets based on technical assessment from April 1, 2014 as further amended on August 29, 2014. In case of fixed assets where the useful life is NIL as determined above, the company has adjusted the net residual value as at April 1, 2014 aggregating to ₹ 56.78 Lacs (net of deferred tax of ₹ 29.24 lacs) to retained earnings. However in case of one of the joint Venture and one of the subsidiary, residual value of fixed assets where useful life is NIL, net carrying value amounting to ₹ 21.13 lacs has been charged to Statement of Profit & loss. Further depreciation for the period up to 31-03-2015 is lower and the profit before tax is higher to the extent of ₹ 784.99 Lacs.

Effective April 1, 2014, the Company has revised the useful life of Intangible assets to 3 to 7 years as against existing 3 years. Consequently amortization for the year is lower and profit before tax is higher by ₹ 143.49 lacs.

NOTE: 37 In order to promote investment in the state of Rajasthan and to generate further employment opportunities through such investment, the state has notified "The Rajasthan investment promotion scheme 2010" under which an enterprise commencing commercial production/operation is granted a subsidy from the date on which the enterprise makes sales up to a period of 7 years by an investment subsidy of 30% of the sales tax payable which have become due. The same has been in accordance with AS-12 "Accounting for Government Grants" notified under Companies (Accounting Standard) Rules, 2006 been credited to statement of profit and loss under the head "other income". For the purpose of Calculation of taxable income as per Income Tax Act, such Investment Subsidy has been considered as capital receipt.
